

# Break the ice with the new Arctic Blue

O-I is the leading glass producer in Australia, delivering excellence in quality and service. With innovation at the heart of our business strategy, we work in close partnership with our customers to create an exciting array of new products across many markets.

Our new range of Arctic Blue wine bottles is a direct outcome of this collaborative approach and a response to Australian wine industry requirements.

Especially suited to refreshing white and rose varietals, Arctic Blue enhances and highlights vibrant wine colour, ensuring a stand-out presence either on the shelf or in the fridge.

Available in Premium Claret, Punted Claret and Punted Burgundy styles.
